### Member Resources Geared Toward Your Success

SNIS connects you to numerous resources that deliver results and help you succeed now and in the future. Joining SNIS is a wise decision at any stage of your career.

**With over 1,000 members,** the Society of NeuroInterventional Surgery (SNIS) prides itself on being the premier resource for professionals dedicated to excellence in minimally invasive neuroendovascular care through advocacy, research, education and evidence-based guidelines.

#### *Journal of NeuroInterventional Surgery*

The *Journal of NeuroInterventional Surgery (JNIS)* is a leading peer review journal for scientific research and literature pertaining to the field of neurointerventional surgery. The journal was launched in 2009 following growing professional interest in neurointerventional techniques for the treatment of a range of neurological and vascular problems including stroke, aneurysms, brain tumors, and spinal disorders. JNIS is published by BMJ on behalf of SNIS. It is also the official journal of ESMINT, the Interventional Chapter of ANZSNR, CING, HKSITN, the INR Chapter of NRST and STNI.

**YOUR MEMBERSHIP BENEFIT:** Your membership entitles you to a subscription to the JNIS instant library-the print edition (Senior and Associate memberships only), access to the digital version, and archived articles online dating back to 2009.

#### SNIS Connect

**SNIS Connect** is an online community exclusively for SNIS Members that will change the way you interact with your colleagues and peers. Engage with other SNIS members. Learn from the expertise of others in the field. Get feedback and answers from others via the SNIS Connect discussion boards. Share your expertise with other SNIS members. Offer your knowledge and experiences to help others resolve challenges. Earn recognition for contributions you make to the community. Join the discussion online and with the mobile app.

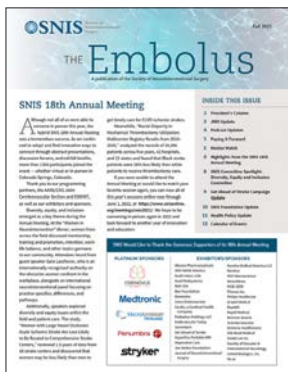

**YOUR MEMBERSHIP BENEFIT:** Access to SNIS Connect, a members-only online forum and discussion site.

#### Mentor Match

This program will allow you to establish a one-on-one relationship with someone in your field. You can sign up as a mentor, mentee, or both! The program is available through SNIS Connect. Once you've signed up, be sure to search for a mentor or mentee in the directory.

**YOUR MEMBERSHIP BENEFIT:** SNIS members receive complimentary access to the Mentor Match program.

### Annual Educational Events

Hundreds of medical professionals, industry, and academia of all experience levels attend SNIS educational events each year to learn, share and connect with their colleagues.

**YOUR MEMBERSHIP BENEFIT:** Reduced registration fees to all SNIS-sponsored meetings and conferences.
